Flounder Bay Yacht Club is located in Skyline Marina. You'll find a diagram of our facility in the *Waggoner Cruising Guide* and *The Burgee Book* by David Kurtz. You may check in at the courtesy dock, and then find a vacant guest moorage slip listed on the board in the laundry room. Visiting vessels must display their club burgee at all times while using FBYC facilities. Visitors should be able to present a current yacht club membership card if requested. Dock rules are posted at the head of the ramp and on the bulletin board near the exit gate.

Visitors must fill out the Guest Register upon arrival. Visits are limited to a total of five (5) days per calendar year. The first day is free (\$3 US charge for power). The remaining days are \$10 US/day inclusive of power. Each slip has dockside water and 30-amp power. An 'Honor Box' for moorage fees is located in the laundry room. You'll find restrooms, showers, and laundry at the head of the dock. The FBYC clubhouse is available for your use with full galley, restroom, dining area, WiFi, TV, and gas BBQs. Prior arrangements for the use of the Clubhouse need to be made with the Dockmaster.

We hope your members enjoy their visit to our facility. Questions can be directed to any of our officers by phone or email [flounderbayyc@gmail.com](mailto:flounderbayyc@gmail.com) or my personal email [tsfoster3@aol.com](mailto:tsfoster3@aol.com)
