

Viking Yacht Club  
October 26, 2011  
Membership meeting minutes

Purser Report was given in Barb's absence.

\$3,197.39 checking acct

\$1,316.46 Saving

\$3,860.79 C.D.

Frankie reminded everyone about the Change of Watch on November 5, 2011 at Charlie's

Carla discussed the Christmas Auction options. Option 1, don't have the option. Option 2, continue the Christmas Auction with a silent auction. Maybe a few live auctions items and add kid's activities.

Those members in attendance voted to for Option 2. Continue the Christmas tradition with some minor changes.

No report for IOBG/NBC/ or Trustees

Carla talked about the possibly combining Change of Watch with Commodores Ball. Changing the Sweetheart dinner to the TYC. Members would make their own reservations. In these economic times spending money on costly meals may have become a burden and reduces participation. The club is feeling the effects of the economy as well.

Family of the Year cruise was discussed. In years past there was a breakfast and a trip to the Seattle Boat show for FOY. It was discussed but no decision was reached. This will be a budget item for the following year.

Gary suggested a grand parent's cruise at Tracy's. Play baseball. Looking for any other ideas for cruises.

The subject of withdrawing money from our CD was discussed. We have a short fall in our budget. It would be a withdrawal for this year and then reviewed. Again, this is a budget item. It will be discussed further.

The idea of merging with another club, such as Totem was mentioned. There was some discussion.

Peggy discussed a few clubs she is familiar with and how they are growing their membership. And with younger members.
