Viking Yacht Club
PO Box 4461
Federal Way, WA 98063

December 26, 2008

Dear Commodore and Members:

The Port Madison Yacht Club is pleased to extend our friendship, and offer reciprocity privileges to your club. The courtesy card you received previously remains valid until revoked.

We are located in Port Madison on the north end of Bainbridge Island. Our docks are located approximately halfway into the bay immediately west of the Seattle YC outstation. To approach the guest dock, pass around the west end of our docks to the long dock on the inside of the finger piers. The guest dock is approximately 100 ft. long.

We have a clubhouse with kitchen for your convenience. There are restrooms (no showers), and no pumpout station.

Our electrical system will not support the use of large ampere draw. We use it for hand tools, etc., but not for overnight usage. We are in a residential area so there are no stores or restaurants nearby.

It is a privilege to present our PMYC officers for 2009:

Commodore - Scott Sprague
Vice-Commodore/ Treasurer - Andy Parker
Rear Commodore/ Secretary - Pat Mitchell

We wish you a great cruising season, and hope to see you at Port Madison.

Sincerely,

Langley Gace
